

A Better Student

If you are like most people you will probably love L.L.I. Check out our list of the most common tips that students can do to make their experience the best, and to improve their English.

Attendance

Attend all classes and go to school on time. Make sure you know your bus schedule, and that you know how long it takes to get to school.

Self-Esteem

Don't be shy to speak and make mistakes. Participate in class and with activities, to get to know your classmates and build self-confidence.

Study Habits

Participate in class and do your homework. This will help your English become automatic.

Helping Others

Team work will improve your English and help you learn about different cultures and make friends. Be a good listener, even if you can't speak well.

Homestay

Your homestay can provide support, good food and friendship. Help your homestay understand you and your culture.
